The Global Foundation held a lunch recently in honour of Mr Y C Deveshwar, President, Confederation of Indian Industry and delegation of its members on Wednesday 17 August 2005 in Sydney.

It was hosted by Mr Ian Brown, Deputy CEO and Mr George Venardos, Chief Financial Officer, Insurance Australia Group.

The format of the lunch gave invitees a chance for a high quality, informal exchange on business relationships and opportunities with India. The event was well attended by corporate members of the Foundation and prominent Indian business leaders.

The CII, much like the Foundation, plays a pro-active role in the processes of national development. The Foundation hopes to maintain its close ties with CII and to continue a working partnership.
